

Line Er up High Low

1. To start each person draws a domino, the person with the lowest number (both sides combined) gets to go first.
2. Each player takes turns drawing a domino placing it on the game board. All pieces must be fully into the game space (you cannot have a piece hanging over the edge.)
3. When the game boards are full each player subtracts the lowest from the greatest. The person with the greatest number in between their numbers wins 4 points for that round, next player gets 3 points next gets 2 points and the person with the least gets 1 point. If a player's Takeaway is larger than
4. Repeat the process for 9 rounds
